Expression of interest in Adopting

Forms · https://mk-cat-rescue.org/docs/expression-of-interest-in-adopting/

Please complete the form below to express your interested in adopting one or more of the cats or kittens in our care. Please be aware we will only accept expressions of interest in specific cats/kittens in our care, any expressions that do not specify a cat/kitten will be deleted. This is to ensure we only store personal information necessary to assist with specific cats/kittens that are available for adoption at the current point in time.

We encourage anyone who is looking for a furrever friend, but the current guests are not what they have in mind to sign up for our newsletter reminder service.

If you are interested in kittens, you will need to manually add the names of the kittens to the form.
