Surrendering Cats

How it works

We realise it's tough giving up a pet in whatever circumstance, please use the form below if you are looking for our help in taking a cat into our care. Please note the following:

- We do not operate a rescue centre or cattery, all our cats in care are fostered in houses by our pawesome team of Fosterers.
- We are unable to help with un-neutered males, please contact your local RSPCA and they may be able to assist
- We do not do "Trap, Neuter & Return" for ferals, although where there are kittens involved we may endeavour to trap the kittens and their mum, if possible, but we struggle to rehome truly feral adult cats, so are treated on a case-by-case basis.
- Our areas of focus are the Greater Milton Keynes city area, cats needing our help outside Milton Keynes is on a case-by-case basis, as we have to adhere to our stated Charitable Objects
- We may not be able to help you immediately, as we may need to wait until a fosterer becomes available.
